WHAT OUR CUSTOMERS SAY

"The service Lloyd and his colleagues provide is second to none. Helios have very particular needs due to our German parent company setting the exchange rates internally for accounting purposes. Lloyd is aware of this and if/when the FX exchange rates are near this rate, he will let us know, which is so helpful!"

Sarah Leslie
Accountant
Helios Ventilation Systems

"Their service delivery model is to be envied, as they carefully manage the risk, make their calculations with speed and deliver the exchange in record time."

When it comes to brokering foreign currency exchange, we would be at a loss without their expert market knowledge."

Manish Shah
Director
Sigma Pharmaceuticals
